Dear [redacted]

I have received your letter of 22 March and want you to know that I appreciate your kind comments concerning my appointment and my appearance on "Face the Nation."

I appreciate also your advising me of [redacted] interest in summer employment. Unfortunately, as you can see from the enclosed flyer, she would not qualify for this year's Summer Intern Program. Applicants for the program must be attending graduate school or committed to enter graduate school in the fall following their internship. We would be pleased to hear from her this coming fall if she is interested in the 1978 Program and plans to continue her education after graduation from college.

In the event she is interested in full-time employment after her 1978 graduation, she should write to our Director of Personnel at the following address approximately six months prior to her date of availability:

Office of Personnel  
P. O. Box 1925  
Washington, D. C. 20013

I enjoyed hearing from you and, again, thank you for your interest in writing.

Best wishes to you and [redacted]
